COLOSSIANS 2: 13-14

2:13 And you, who were dead in your trespasses and the uncircumcision of your flesh, God made alive together with him, having forgiven us all our trespasses,

2:14 by canceling the record of debt that stood against us with its legal demands. This he set aside, nailing it to the cross.

04 | Logo Philosophy

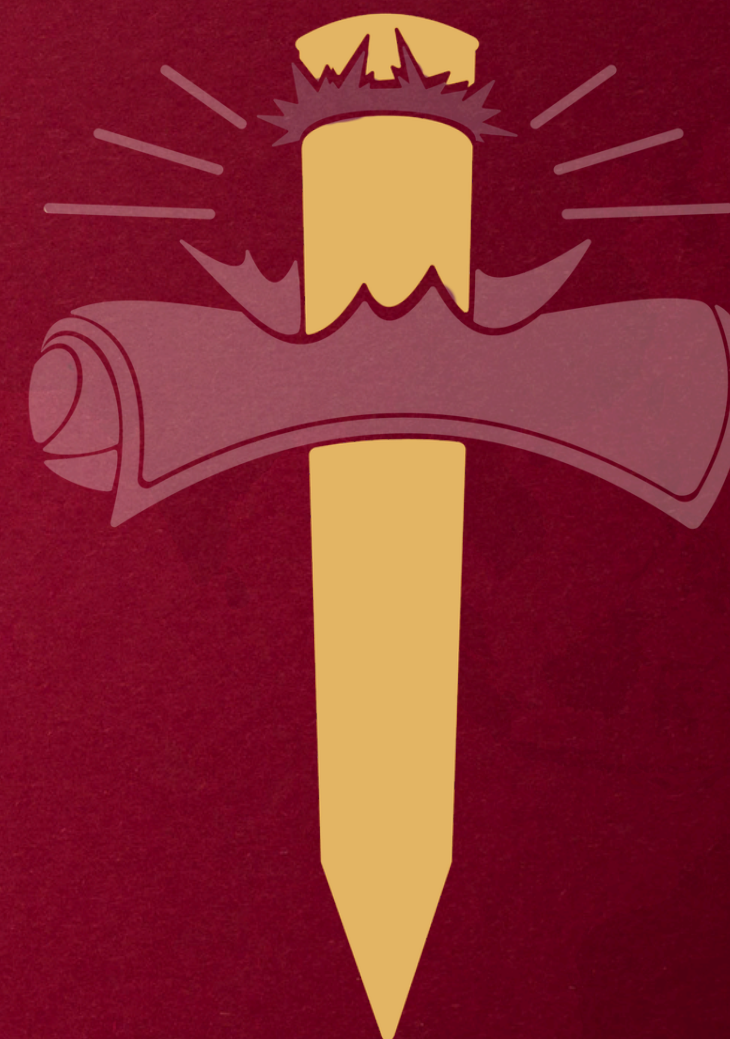

CERTIFICATE OF DEBT

The horizontally extended document symbolizes the accusations that threaten and bind us spiritually—the certificate of debt. In Colossians 2:14, it is described as the "record of debt" that stood against us. This certificate of debt represents humanity's fall, our condition of being dead in sin, separated from God's covenant, and utterly incapable of paying our debt on our own.

NAIL

From above, a nail can be seen piercing the document vertically. This nail symbolizes Christ's redemption and reflects the truth found in Colossians 2:14, where our record of debt was "nailed to the cross." It signifies that our debt has been completely paid and fully removed by Christ. As a result, sin no longer holds any legal claim over our lives, for its penalty has been fully satisfied through His sacrifice.

CROWN OF THORNS

To further define the nail's form, a crown-like element is placed at its top, representing the Crown of Thorns and pointing to the person of Christ. This symbol reflects Christ's suffering and humility as the King of Peace, who willingly endured shame and sacrifice to redeem humanity from sin. It reminds us that salvation is not earned through human effort, but is found in Christ alone through His supreme love and redemptive work, which will ultimately be fulfilled when He is revealed in glory as the eternal King.

SUNBURST

These seemingly abstract and scattered lines represent humanity. Those who believe in Christ experience a transformed life, being brought from spiritual death into new life through His redemption. The golden sunburst rays radiating from the center—Christ Himself—symbolize the light and glory that come from Him. As written in 2 Corinthians 3:18, we are being transformed into Christ's likeness, allowing His light to shine through our lives. The combination of gold and cream also reflects that, although we have become new creations, we continue to live in the world and are called to be salt and light, radiating the love of Christ to those around us.

CROSS

The cross stands as the central symbol of Christ's redemptive work, representing His sacrifice, love, and victory over sin and death. Through the cross, humanity is offered reconciliation with God and the gift of new life. It reminds believers that salvation is not achieved by human effort, but through Christ alone, who willingly gave Himself for the redemption of the world. As followers of Christ, we are called to live in the light of His sacrifice, reflecting His grace, truth, and love in our daily lives.

05 | Color Philosophy

LIGHT CREAM

Cream represents gentleness, vulnerability, and something natural or unrefined. It is used in the debt record element and as one of the colors within the sunburst. Unlike gold, cream is less radiant, reflecting the fragile and limited condition of humanity. In the logo, it symbolizes the “old self”—who we were before being redeemed by Christ. This color also serves as a reminder of the “record of debt” mentioned in Colossians 2:14, representing our state before renewal, when we remained under the accusation and burden of sin.

LIGHT GOLD

Gold symbolizes value, glory, victory, and something of great worth. This color is used in the nail, the Crown of Thorns, and as the second color within the sunburst. In the logo, it represents Christ's redemption and the new life He gives. The golden nail signifies the immeasurable value of Christ's perfect atonement on the cross, which canceled the debt of sin that humanity could never repay on its own. The golden Crown of Thorns declares that glory comes through suffering, and through Christ's cross comes victory.

BURGUNDY

Burgundy symbolizes the love and sacrifice of Christ, which form the foundation of humanity's salvation. This color recalls the blood of Christ shed for the redemption of sin and the gift of new life. Together with gold, which represents the glory of God, and cream, which represents humanity receiving His grace, burgundy serves as a symbol of the redemptive work that transforms people from their old way of life into a new life in Christ.
